

Join Tight Lines in Mexico March 4-11, 2017!!!

We are very excited to offer a group trip to the famed flats of Ascension Bay! Join Tight Lines Manager, Charlie Piette, at Grand Slam Fly Fishing Lodge for an unforgettable trip to the salt!

About Ascension Bay

Truly fabled in saltwater fly fishing, Ascension Bay and its surrounding waters harbor a spectacular diversity of shallow water gamefish. The term, "Grand Slam", refers to the saltwater angling feat of catching a Bonefish, Permit, and Tarpon in the same day. All of these species, along with Snook and Barracuda (among others) are found in the bay year round. This lends to plenty of fishing options on a given day. New to salt? Perfect! The flats are full of eager Bonefish to cut your teeth on. Looking for a shot at a Permit? Absolutely! Ascension Bay harbors one of the highest populations of Permit in the world. Whatever your saltwater fishing interests may be, Grand Slam Lodge can accommodate!

The Lodge

Grand Slam Fishing Lodge is like an exclusive resort that happens to be run by fishermen, for fishermen (and their non-fishing companions). Situated on a narrow, palm tree-studded strip of sand, the lodge faces the Caribbean on one side with the lagoon lapping on the other. You get great sea views plus easy access to Ascension Bay with the lagoon dock. Enjoy the beach on comfortable, king-sized Bali day beds. Go for a swim – the sea has a sandy bottom and nearby areas of coral for snorkeling, or you can opt for the swimming pool. The main lodge has a tropical thatched-roof design with natural flair. It features a social area, a bar with swings for seats, and Kai Restaurant with a covered beachfront deck. There's also a library and fly tying station.
