

PATAGONIA RIVER RANCH | ESTANCIA LA LIMAY

ARGENTINA

Trip Information

Location: Patagonia River Ranch sits on the banks of the legendary Chimehuin River, in northern Patagonia, Argentina. Conveniently located only 30 minutes from the San Martin airport, and 40 minutes from the charming resort town of San Martin de los Andes. Our location is in the center of the 7 most productive rivers in Northern Patagonia. This provides our guests the unique opportunity to fish up to 6 different rivers (and/or 6 different stretches of river) during their stay.

Daily Opportunities: Each day begins with breakfast starting at 8 am (depending on where you are fishing). From there, you have the option to fish all day on one of six different rivers within close proximity to the ranch. If you would not like to fish, you may either horseback ride, visit San Martin de los Andes, hike, mountain bike, relax at the ranch or explore our other activities. At the end of the day, guests meet at the bar around 7:30 for drinks before dinner. The day concludes with dinner at around 8:30.

Rates: The rate includes everything once you arrive at the ranch: guided fishing, all non-fishing activities (see more details in link below), food, alcohol, laundry service, use of fishing equipment (rods, reels, waders, boots and flies) and fishing license.

\$7,500 / person for 6 days fishing / 7 nights lodging (Saturday arrival, Saturday departure)

Dates: January 25 – February 1, 2020

*Please note that all rates are based on double occupancy. Please inquire for single occupancy rates. **Not included in rate:** international and domestic flights, hotels, transfers in Buenos Aires and gratuities for fishing guides and ranch staff.*
